be necessary to evaluate the application.

§§ 4279.262–4279.264 [Reserved]

§ 4279.265 Guarantee application evaluation.

Instead of evaluating applications using the provisions of §4279.165, the Agency will evaluate and award applications according to the provisions specified in paragraphs (a) through (h) of this section.

(a) *Application processing.* Upon receipt of a complete application, the Agency will conduct a review to determine if the borrower, lender, and project are eligible; if the project has technical merit as determined under paragraph (b) of this section; and if the minimum financial metric criteria under paragraph (c) of this section are met.

(1) If the borrower, lender, or the project is determined to be ineligible for any reason, the Agency will inform the lender, in writing, of the reasons. No further evaluation of the application will occur.

(2) If the Agency determines it is unable to guarantee the loan, the lender will be informed in writing. Such notification will include the reasons for denial of the guarantee.

(b) *Technical merit determination.* The Agency's determination of a project's technical merit will be based on the information in the application. Projects determined by the Agency to be without technical merit will not be selected for funding.

(c) *Financial metric criteria.* The borrower must meet the financial metric criteria specified in paragraphs (c)(1) through (c)(3) of this section. These financial metric criteria shall be calculated from the realistic information in the pro forma statements or borrower financial statements, submitted in accordance with §4279.261(c), of a typical operating year after the project is completed and stabilized.

(1) A debt coverage ratio of 1.0 or higher.

(2) A debt-to-tangible net worth ratio of 4:1 or lower for startup businesses and of 9:1 or lower for existing businesses.

(3) A discounted loan-to-value ratio of no more than 1.0.

(d) *Scoring applications.* The Agency will score each complete and eligible application it receives on or before May 1 in the fiscal year in which it was received. The Agency will score each eligible application that meets the minimum requirements for financial and technical feasibility using the evaluation criteria identified below. A maximum of 100 points is possible.

(1) Whether the borrower has established a market for the advanced biofuel and the byproducts produced and whether the advanced biofuel meets an applicable renewable fuel standard. A maximum of 10 points can be awarded. Points to be awarded will be determined as follows:

(i) If the business has less than or equal to a 50 percent commitment for each of the following: feedstocks, marketing agreements for the advanced biofuel, and the byproducts produced or if the project does not produce an advanced biofuel that meets an applicable renewable fuel standard, 0 points will be awarded.

(ii) If the business has a greater than 50 percent commitment for any one or two of the following: feedstocks, marketing agreements for the advanced biofuel, and the byproducts produced and if the project produces an advanced biofuel that meets an applicable renewable fuel standard, 5 points will be awarded.

(iii) If the business has a greater than 50 percent commitment for each of the following: Feedstocks, marketing agreements for the advanced biofuel, and the byproducts produced and if the project produces an advanced biofuel that meets an applicable renewable fuel standard, 10 points will be awarded.

(2) Whether the area in which the borrower proposes to place the biorefinery, defined as the area that will supply the feedstock to the proposed biorefinery, has any other similar advanced biofuel facilities. A maximum of 5 points can be awarded. Points to be awarded will be determined as follows:

(i) If the area that will supply the feedstock to the proposed biorefinery
